THE GRID

SCHEMATIC / NOT TO SCALE

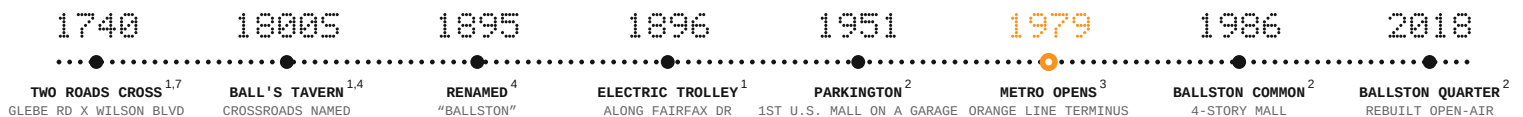

LIVE

- Walk Score 92 — a “walker's paradise” and the most walkable neighborhood in Arlington County.⁶
- Two Metro stations on the Orange & Silver lines put downtown Washington, D.C. about 4 miles away.^{3,9}
- Median gross rent \$2,393/mo; about 69% of occupied homes are renter-occupied high-rises, rowhouses & singles.⁵
- Ballston Quarter (reopened 2018): Quarter Market food hall, cinema, and the Washington Capitals' MedStar Iceplex built on the parking-garage roof.^{1,2}
- Thursday farmers market at Welburn Square; Taste of Arlington street festival held each spring since 1987.^{1,10}

WORK

- One of the nation's highest concentrations of R&D institutes: DARPA, the Office of Naval Research, and Air Force research offices.¹
- DARPA's headquarters moved to 675 N. Randolph St. in 2012 — 1,100+ staff a block from the Metro.⁸
- Campuses of Marymount, Virginia Tech, George Washington, and George Mason (Scalia Law) universities.¹
- Direct I-66 access since 1982; Ballston-MU is a central Metrobus/ART transfer hub, with a \$177M second station entrance in planning.^{1,3}
